

RATTLESNAKE!

Avoidance Clinic

for dogs.

Let the experts from **“SNAKEOUT”**
train your dog to avoid
rattlesnakes

The German Shorthaired Pointer Club of Northern Sacramento Valley is hosting rattlesnake avoidance training in Somerset, CA. Experienced dog trainers and a licensed snake handler will conduct the training to assure maximum effectiveness and safety. Dogs will be trained to use 3 senses; sight, sound and smell, to detect and avoid rattlers. This training could save your dog's life - maybe yours too!
