SUMMER EVENTS UPDATE FOR 2024

PRESIDENT'S MESSAGE

Welcome to our new club secretary Annika Jensen and our new board member Karen Robison. We look forward to working with both of you. The club has two events coming up. On June 7 and 8 is our breed speciality with the Woofstock Show. Hopefully you can come show. Lynn Pettinato has been able to add some great prizes with the generous donations being made to the show. The weather is usually great and the show just a fun event to attend! The second event to flag on your calendar is the club Fun Days to be held at Hastings Island on July 20 and 21. This is the event of that all our members can enjoy. If you like dog people and good food, this is one not to miss.

MEMBER BRAGS!

Here is our brag for GG from the LODI weekend from the Bodutch's!

Four days, six shows, hot sun, wind, rain and cold marked the shows in Lodi over the weekend of April 11 - 14. GG won the breed 3 of the six shows and also garnered a BOS and a Select bitch for 14 points toward her GCHS! Larry Fenner and Elizabeth Jordan Nelson showed her beautifully regardless of the elements. Friends were generous with their congratulations for her wins and having them ringside made it extra special. Thank you John and Karen Robison, Patrick Vanier, Rebekah Reinsche, Dina Walls, and Ola Simmons, for your support. The Northern California Sporting Group Club and the Sacramento Kennel Club are to be congratulated for putting on six great events at the Grape Festival grounds in Lodi. Thank you Cindy Smullen for the breeding that brought her into our lives!

~~ADDITIONALLY~~

Jay and I are very proud of GG's accomplishments. GG followed up her amazing weekend at Lodi with another great group of shows at the Salty Dog Shows in Vallejo on April 25-28. She received a best of breed from Judge Chris Levy, 3 selects and a best of opposite to accumulate 10 more points toward her Silver Grand Championship. She is being shown by the wonderful handlers from Team Black and Gold, Larry Fenner, Laurie Jordan-Fenner and Elizabeth Jordan-Nelson. Looking forward to the upcoming shows in May and June!
